Machine dimensions

Height: 285mm, Length/depth: 108mm, Width: 55mm

Electrical

Input voltage/Frequency: 220-240V

Motor specification: Dyson digital motor V9

Speed: 115,000rpm

Wattage: 1700W

Ioniser: Negative ions to help reduce static in the hair

Cable length: 2.8m

Operation

Airflow settings: 3

Heat settings: 4

Temperature: High heat: 105°C, Medium heat: 75°C,
Low heat: 55°C

Primary flow: 13 litres cubed/sec

Amplification factor: x3

Dry rate: 4.7g/min

Sound Power: 75 dB (A)

Construction

Metal/Plastic

Logistics

SKU number: 522268-01

Unit barcode: 5025155096659

Net weight: 319.5g (including Powerful air attachment, cable and plug)

Packaged weight: 2.58kg

Packaged dimensions:

(H) 165 mm × (W) 390 mm × (D) 163.5 mm

Stand

Material: Metal + Plastic

Weight: 530 / 546g (With Wide-tooth comb Extension)

Fitting: Magnetic

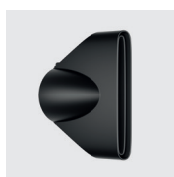

Standard guarantee

2 year guarantee

Accessories

Powerful air attachment

Pro Concentrator
